The Army has activated the 24-hour Family

Assistance Hotline. The hotline serves as a "safety net" for family members of active and reserve component soldiers seeking information or assistance while their soldier family member is forward deployed. The hotline number is (stateside) 800-833-6622.

Rules For Running Off-Post

The restriction of running off-post has been lifted. It is important to pay attention to force protection issues and be aware of your surroundings. Running as a platoon, in formation or wearing military PT clothing is still not allowed.

Persons may run in a group of three or less and those running alone must inform someone. In addition, running into the city, such as Vaihingen, is not permissible. Wooded areas and public paths outside of city areas are suggested.

Avoid Patch Barracks Demonstration

A large demonstration is planned for outside Patch Barracks March 29, starting at 10 a.m. The demonstrators are from the Peace Net and they are expected to form a human chain around the barracks. A blockade is also a possibility. Approximately 6,000 people are expected to attend this demonstration. Americans are asked to avoid the area. If travel to and from Patch Barracks is absolutely necessary, expect delays and detours. While this demonstration is expected to be peaceful, violence is always a

possibility in large gatherings. These demonstrations should be taken seriously, so please do not come out to watch or bring children.

IACS Registration Continues

All U.S. identification cardholders and installation pass holders and applicants in U.S. Army, Europe, must register for the new Installation Access Control System. U.S. ID cardholders who leave Europe before Sept. 1 are not required to register.

Remain Vigilant Against Terrorism

As continued reporting and speculation by the media intensifies regarding preparations for possible U.S. military action against Iraq, the 6th Area Support Group commander requests that all personnel continue to remain vigilant for acts of terrorism in and around installations. Suspicious activity or possible acts of terrorism should be immediately reported to the Provost Marshal for appropriate investigation at 430-5261/civ. 0711-680-5261.

Passing Buses On Bases Illegal

Drivers on local installations need to remember that it is illegal to pass school and duty buses on base. Recently, several drivers have passed school buses on Panzer Kaserne near Böblingen Elementary School as they unload in the morning and load in the afternoon. This is particularly dangerous because children can dash in front of the bus and risk getting hit by drivers who are in the process of passing the bus. The street in front of Böblingen Elementary school is closed to through traffic Mondays to Fridays, 7:45 to 8:15 a.m. and 2:15 to 2:45 p.m.
